Comment: This is the first Alexander 2yr old son to be offered for sale. His heavy beamed high scoring antler is being passed on to his progeny. Dam sire Morpheus was a national 3yr HA Champion. He is also the sire of Phobeter (609 IOA @ 4yrs). Note too the very heritable Chancellor Peel (sire of Odysseus, Salvador and Commander Peel to name a few) on the bottom line. This stag has very strong fronts, and a heavy beam. Expect multi tops, at least 20 points.
