Comment: Lord Haka was impressive as a 2yr old when we sold him to Mt Cecil for \$52,000. He has gone on to produce 712 IOA at just 5 years and is one of only a few stags to achieve this at such a young age. Dam sire Henry VIII has a reputation for leaving heavy beamed antler genetics. Note too Odysseus on the bottom line is the sire of Mentor, McCaw, Houghton and many other top industry sires.
